About us

Milecross Financial Solutions Ltd is based in Newtownards, Northern Ireland with offices throughout the UK. Our experienced team of advisers and planners have helped thousands of clients put their plans for the future in motion. All our Mortgage Advisers have achieved professional qualifications and are fully qualified to provide advice and guidance.

We provide face to face mortgage and insurance advice and our advisers combine expert technical knowledge, experience and industry awareness before recommending a solution that is specifically tailored to each individual client. Our philosophy is to build long term relationships, based on mutual openness and trust, and our aim is to ensure that we provide a professional, quality service.

Supporting our clients

We understand that from time to time our clients may find themselves dealing with circumstances which could mean they are potentially vulnerable. For example, a change in health, caring for a family member or coping with the loss of a loved one. There are many different types of vulnerability, and what makes one person vulnerable might not affect someone else. When we are vulnerable, our need for financial advice may change. However, admitting vulnerability or seeking help can sometimes feel hard.

If this is something you would like to discuss with your adviser, please ask for a copy of our support guide. This guide is designed to help explain vulnerability and the ways in which we might be able to support you. If you feel any of the circumstances in the brochure apply to you, please talk to us.

How we work

We are part of The Openwork Partnership

Together, we are always by your side

The Openwork Partnership is one of the UK's largest and longest established financial advice and investment companies.

Through many changes and challenges we have been a constant presence for over 45 years. We have served over two generations of clients and together seen a lot of change.

Every firm is individual and distinct, yet we share values and standards with each other - for the benefit of our clients.

If you wish to discuss pensions and/or investments we can refer you to one of our specialist advisers for relevant advice.

As a Partnership we work together to:

- Make sure we work to the highest standards of compliance and regulation.
- Fully research the financial products available and work with product providers to secure the best solutions for our clients.
- Access correct training and professional development.
- Sustain quality standards in the advice we give our clients.

To maintain these high standards, The Openwork Partnership may contact you directly to ensure your satisfaction and ask for your feedback.

We are proud of the personal difference we can make helping our clients and their families look forward to a better future with confidence and optimism.

Mortgages

Whose products do we offer?

Mortgages

We offer a comprehensive range of products from across the market but not deals that you can only obtain by going direct to a lender.

Second Charges Mortgages

If you are purchasing a property with the help of a shared equity loan, our advice will also cover the shared equity second charge. However, we do not advise on any other second charge mortgages. If you need a second charge mortgage we will refer you to a master broker for second charges, who will be able to advise you.

Which service will we provide you with?

We will advise and make a recommendation for you on a first charge mortgage after we have assessed your needs.

You may request an illustration from us for any regulated mortgage contract we are able to offer you whenever we provide you with information specific to the amount you want to borrow following assessment of your needs and circumstances.

Once a mortgage offer is secured, we will be available for support through to completion. We will not undertake further assessment of the suitability of the recommendation or product, unless you notify us of a change in your circumstances or at your request, which may incur additional costs.

Alternative Finance Options

If you are looking to increase borrowing secured on a property that you already have a mortgage on, the following alternative finance options may be available and may be more appropriate:

- A further Advance from your existing lender
- A Second Charge
- An unsecured Loan

The Openwork Partnership does not offer advice on Unsecured Lending or Second Charges.

What will you have to pay us for our services?

A fee of between £0 and £1250

The total fee will be based on your personal circumstances, employment record and credit history. We will provide you with written confirmation of your fee prior to the commencement of any changeable activity.

If you'd like to know the range of commission payable from our lenders, please ask me for a list. You will receive an illustration when considering a particular mortgage, which will tell you about any fees relating to it. It is important that you read and understand the illustration.

Our refund policy for mortgage fees

If we charge you a fee and your mortgage does not go ahead, you will receive: No refund.

Whose products do we offer?

We are an insurance intermediary representing you, not any insurer. We will provide you with a personal recommendation after we have assessed your needs, limited to the insurance products available to us, as shown in the Insurance Proposition Summary leaflet.

This means that if you purchase one of these products we will receive commission in addition to any adviser charges / fees you may have been or will be paying The Openwork Partnership for investment-related services. The amount of commission will be disclosed separately should you purchase one of these protection products.

You will receive a quotation which will tell you about any fees relating to any particular insurance policy.
